

Since 1995, BNI Brookline Networkers has provided Brookline and the surrounding communities with trusted professional services for your health, your home and your business. Our clients enjoy the benefit of our individual and varied areas of expertise, years of collective experience, and only the highest quality products and services.

BNI Brookline Networkers is a chapter of Business Network International (BNI), a business and professional networking organization 3,000 members strong. Our weekly meetings foster dynamic partnerships that emphasize personal referrals and word of mouth marketing in a supportive, structured environment.

an alliance of trusted business professionals
